Good News!

By: FR. JOSEPH JUKNIALIS

I found myself angry the other day, as we all do, I suppose, whenever we put our foot in our mouth, or forget about an important engagement, or scramble whatever it was we had hoped would be picture-perfect. What I had scrambled was a homily. For some reason, the image came out wrong, or the example did not fit, or it just did not come together the way I had hoped. And I was angry with myself to the point that it caught me off guard. It was an unexpected glimpse of what I didn't want to admit: the fact that the way people might perceive me as a preacher had taken on more importance than preaching God's word. Life had gotten out of focus. A perspective had been lost.

It happens to us all in the course of our lifetimes, and more than once. Grades become more important than learning, or being right more important than the relationship, or the address of where we live more important than the people living together. It happens between parent and child when a parent places greater significance on the son's or daughter's profession than on that son's or daughter's happiness. Like in the parable of Jesus, where we sit at table takes on greater meaning than the people who gather or the meal that is shared. That is what pride does. It distorts what is real and shifts the focus of life to ourselves. The antidote? A prayerful awareness of who we are and who God is.

CHANGE TO CEMETERY MEMBERSHIP RATE

The St. John Cemetery membership rates will remain the same cost, but the opening and closing of the graves will no longer be part of the fee starting October 1st, 2025. Anyone who has the fee paid in full before October 1st will have the opening and closing included. If not paid in full by October 1st, the opening and closing of the grave will need to be paid at the time of that service.

This change is being made due to the uncertainty of who will be handling the grave opening and closing in the future and the cost associated with this service.

We have asked many times if someone would be interested in taking charge of the opening and closing of the graves and no one has stepped up or shown interest, so we have no choice but to look for other options. If someone is interested, please let us know.

For more information or to inquire about your balance due, contact Kevin Brooker (740-538-2024) or Pam at the parish office (740-896-3566) with questions.

Julie Coppersmith is a devoted Catholic wife and mother of three. She is a stay-at-home mom and serves as a catechist at St. Ambrose Parish School of Religion.
