MATTHEW 5:14

Good News!

By: FR. JOSEPH JUKNIALIS

The Mass is celebrated in two major parts: the Liturgy of the Word and the Liturgy of the Eucharist. These parts complement each other in a balance of word and sacrament. In his 2004 apostolic letter *Mane Nobiscum Domine (Stay With Us Lord)*, Pope St. John Paul II described these complementary elements. Using the story of the two disciples on the road to Emmaus on the night of Easter Sunday, the Pope likened the two parts of the revised liturgy to these disciples' journey. First, Christ breaks open the word for them, preparing their hearts with an interpretation of the Scriptures. Then, they recognize Christ as they break bread.

The Liturgy of the Word, proclaimed and preached well, allows time for silence and reflection on the wisdom offered. It becomes the necessary overture for the celebration of thanks and praise and the gift of the sign and sacrament to follow. Parishes are called to take the Liturgy of the Word most seriously and to bring it to a new level of proclamation. Pope St. John Paul II admonished all involved, but especially preachers, to cherish the word and preach it so the depths of the mysteries celebrated may be recognized and received into the burning hearts of Christians. In this context, the Scripture readings are given a prominence they didn't have in the older Roman rite.
